

SWANTON TOWNSHIP ZONING COMMISSION

WORKING PROJECT SESSION

April 18, 2022

The Pledge of Allegiance was recited. Then a moment of silence was observed.

The Swanton Township Zoning Commission (ZC) project meeting was called to order at 06:15 p.m. by Mrs. Kyle McPherson, Committee Chairperson.

Roll Call: Mr. Roger Thompson, Mrs. Kyle McPherson and Mr. Mike Nowicki. Mrs. Mona Weiss was a few minutes late due to a previous obligation (excused).

Guests: Gary Schroeder

Minutes: The March 22, 2022 ZC project session/meeting minutes were read by ZC Commission members. No changes are recommended. Roger made a motion to accept the meeting minutes as submitted. Mike seconded the motion. Roger – yes. Kyle – yes. Mike – yes.

Meeting Activity:

ZC members continued our working project session. We completed several sections. We have one question about Section 6.4 for the Trustees.

We discussed whether it's necessary to make a motion to adjourn, or if the chair can adjourn after the meeting agenda is fulfilled. Chair McPherson suggested we review Robert's Rules and if there's no need to make a motion, we may simply adjourn. We will discuss this topic in our next regular meeting, after Robert's Rules have been reviewed by all ZC members.

Roger made the motion to adjourn the meeting at 7:43 p.m. Mike seconded the motion. Roger – Y, Mona – Y, Kyle – Y, Mike – Y.

Next ZC Project Session:

Next Regular ZC Meeting:

Respectfully Submitted,

Mona
